

Introducing District 4 Director Mark Matteson

During his 25 year career in financial services technology, Mark has worked in product development, innovation and product management for U.S. Bank, NCR, and eFunds. In these financial product positions, Mark learned a few things about technology, namely, that many people don't understand it, but want it to work especially with their finances!

With a belief that communications is a cornerstone for economic growth, educational opportunities, medical services, and entertainment, Mark was so impressed by the capabilities and customer service he received from Paul Bunyan Communications upon sign up that when a board position became available, he jumped at the opportunity.

Mark grew up and currently lives in Grand Rapids. He holds a bachelor's degree from Metro State in Marketing and an Associate's Degree from Itasca Community College. Mark is married to Pam and they enjoy hunting, golfing, fishing and all things involving the outdoors.

Mark joined the Paul Bunyan Communications board in May 2018.
