

EXTENDED AREA SERVICE

There is no long distance toll charge for calls between the communities as indicated here. When calling an EAS (extended area service) exchange, simply dial the 10-digit telephone number as listed in the directory. Do NOT dial DDD Access "1" or dial the operator when placing EAS calls.

The Federal Communications Commission (FCC) has adopted 9-8-8 as a new three-digit number to be used nationwide to reach the National Suicide Prevention and Mental Health Crisis Lifeline, which started July 16, 2022. In order for 988 to work within the 218 area code, 10-digit local dialing was implemented. To complete all local calls, dial area code + telephone number. This applies to all calls within the 218 area code that were previously dialed with seven digits.
